

Monmouth Regatta 2026 Overnight Camping

Camping is available on Friday and Saturday night ONLY in the field where all the cars are also parked NOT in the field with trailers in (we do not own this field).

- All fire pits/BBQs must be off the ground and away from the hedges/trees.
- Be considerate of other campers who may choose to go to bed earlier than you ... there is plenty of space to move to if you want to stay up late
- There is plenty of space, no need to camp close together.
- Leave nothing behind!
- You camp at your own risk, we can accept no liability.
- Fire extinguishers are available at the boat house.
- Our only charge is a request for respect for the space and other people :)

Toilets and showers will be available through the night on the ground floor of the club. Overnight...please raise/lower the shutter before/after use. It won't be locked.

Saturday evening food and breakfast on Sunday will be available from the Marquee.

Any issues, please contact Eric Froggatt, Events Chair. 077810 483466.
